All services performed by providers listed in this directory may not be covered under your health care plan. You must consult your Summary Plan Description to determine what providers and services are covered. Failure to do so before incurring medical expenses may result in you're not being reimbursed for certain medical expenses. This is a directory of preferred providers participating as independent contractors to the Trust Fund. This list is subject to change without notice. Every effort has been made to obtain and print correct information in this directory; however, the Trust Fund will not be responsible for inadvertent errors or omissions.

Preferred Provider Directory Website: oe3health.org

PLEASE READ CAREFULLY

We are pleased to have added new providers to your Preferred Provider Directory. With preferred providers available, you can save yourself and your Trust Fund money by selecting preferred providers whenever you need medical, dental or vision care.

REMEMBER – Your Network is in a constant state of change. New Providers may enter the Network. Currently listed providers may no longer participate. Before services are rendered, please verify Preferred Provider status by calling the Healthcare Services Department at your Trust Fund Office, (775) 826-7200. Before making an appointment with a provider, verify that a current PPO contract is in effect. It is your responsibility to verify that your choice of provider and/or location of office/facility are in fact a Preferred Provider. Failure to do so may result in reduced benefits and higher out-of-pocket expense to you.

Just because a specialist is listed in your Directory, does not mean that all services provided are covered benefits. **READ YOUR SUMMARY PLAN DESCRIPTION CAREFULLY.** If you do not understand it or are uncertain if a service is a covered benefit, call the Trust Fund Office for assistance.
